

## Shelly Lenox

**Medium:** Kiln Fired Glass

**Artist Statement:** Shelly has been working with glass for 15 years. She has been a member of the Santa Barbara Arts & Crafts Show since 1997. Previous to that, she traveled throughout California to juried, hand-crafted shows. Her work has been in several galleries and was featured at San Francisco's Neiman Marcus in 1995. Shelly was also a member of the "ArtaFaire" in Laguna Beach, CA. Growing up I spent hours in my father's studio watching him paint, sculpt, and throw ceramics. He is a multi-talented artist and was a big influence on me. I attended Chico State in the 70's and studied Graphic arts. It wasn't until moving to S.B. in 1990 that I learned the art of glass fusing. My main subject matter was Masks and was in many galleries throughout Calif. until joining the SB Arts and Craft show. I still do commission work but I am known for my one of a kind flower vases.
